Do that by making a gross sales web page for the new ebook, but don't include a value on that page. As a substitute, add a lot of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to test out costs by creating a number of duplicate gross sales pages with totally different costs on each page. Be certain that your gross sales copy is strictly the

identical on each page, and includes your promoting-handle sentence. Then determine for every page the conversion ratio between guests to your site and gross sales of your book. It will inform you what your optimum value is.

Ultimately, for those who've written a book that solves a drawback or presents a brand new approach, your e-book will usher in each site visitors and profits. So make sure to write that selling-deal with sentence that sums up what downside your book solves and what the advantages of your 10 ebook will be to the shoppers who buy it.
