and promotional material, and each time anyone asks you about your ebook.

Besides promoting your books assiduously on-line, there are a number of different methods that can enable you to promote more books.

Make sure that your gross sales copy is exactly the similar on each page, and includes your selling-handle sentence. Then determine for each web page the conversion ratio between guests to your site and sales of your book. This will let you know what your optimum value is.

Ultimately, in the event you've written a ebook that solves a downside or presents a brand new method, your e-book will bring in both visitors and profits.
