An effective method for figuring out a worth is to send out a survey to your current customers. If these customers have already bought an ebook from you, ask for their opinion by way of price. Do

that by creating a gross sales page for the new book, however do not embrace a price on that page. Instead, add a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to check out costs by making a variety of duplicate gross sales pages with totally different prices on every page. Ensure your sales copy is exactly the identical on each page, and consists of your promoting-handle sentence. Then figure out for every web page the conversion ratio between visitors to your site and gross sales of your book. This may tell you what your optimum value is.

In the end, when you've written a guide that solves a drawback or presents a new approach, your e-book will bring in each traffic and profits.
