Then make sure you use that sentence in each piece of sales and promotional materials, and each time anybody asks you about your ebook.

Apart from promoting your books assiduously online, there are a number of other methods that may allow you to promote extra books.

One is to provide something away totally free along with your ebook, akin to a precious bonus item. Or bundle several ebooks beneath one value, which lowers the worth for each book in the event that they have been offered separately.

An efficient approach for figuring out a price is to send out a survey to your present customers. If these prospects have already purchased an ebook from you, ask for their opinion in terms of price. Do that by making a sales web page for the brand new book, but don't embody a worth on that page. Instead, add a number of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another strategy is to test out costs by making a number of duplicate sales pages with totally different costs on each page. Ensure your gross sales copy is strictly the similar on every web

page, and consists of your selling-handle sentence. Then figure out for each page the conversion ratio between visitors to your website and sales of your book. This can inform you what your optimum value is.

In the end, for those who've written a ebook that solves a drawback or presents a new method, your e book will herald both visitors and profits. So be sure you write that selling-handle sentence that sums up what downside your guide solves and what the advantages of your 1110 book will be to the purchasers who buy it.
