of gross sales and promotional material, and each time anybody asks you about your ebook.

In addition to selling your books assiduously online, there are several other methods that may allow you to promote extra books.

An effective method for figuring out a value is to ship out a survey to your current customers. If these prospects have already bought an ebook from you, ask for their opinion by way of price. Do that by creating a sales page for the brand new book, but do not embrace a value on that page. As a substitute, add a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other strategy is to test out costs by making a variety of duplicate gross sales pages with completely different prices on each page. Ensure your sales copy is exactly the similar on every page, and consists of your selling-handle sentence. Then determine for each page the conversion ratio between visitors to your web site and sales of your book. It will let you know what your optimum worth is.

Ultimately, when you've written a e book that solves a downside or presents a brand new method, your e-book will usher in each visitors and profits.
