price on that page. As a substitute, add numerous hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another strategy is to test out prices by creating a number of duplicate gross sales pages with completely different costs on every page. Be certain that your gross sales copy is strictly the same on each page, and includes your selling-deal with sentence. Then determine for each page the conversion ratio between visitors to your web site and sales of your book. This can tell you what your optimum value is.
