An effective method for determining a worth is to send out a survey to your current customers. If these clients have already purchased an ebook from you, ask for his or her opinion when it comes to

price. Do that by making a gross sales web page for the brand new book, but don't include a value on that page. As an alternative, add a number of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Make sure that your gross sales copy is strictly the similar on each page, and consists of your selling-deal with sentence. Then figure out for every web page the conversion ratio between visitors to your site and gross sales of your book. It will let you know what your optimum worth is.
