Advertising Strategies

The key that unlocks the gross sales potential of your book is to discover a single sentence that becomes your promoting handle. An effective technique for figuring out a value is to ship out a survey to your current customers. If these customers have already bought an e-book from you, ask for their opinion by way of price. Do that by making a gross sales page for the brand new e book, but don't include a value on that page. As an alternative, add a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other technique is to check out costs by making a variety of duplicate sales pages with completely different prices on each page. Be certain your sales copy is strictly the identical on

every web page, and includes your selling-handle sentence. Then work out for each web page the conversion ratio between guests to your site and gross sales of your book. It will tell you what your optimum worth is.
