As a substitute, add quite a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other strategy is to check out prices by making a number of duplicate sales pages with different prices on every page. Be certain that your gross sales copy is precisely the identical on every web

page, and contains your promoting-deal with sentence. Then work out for every page the conversion ratio between guests to your website and sales of your book. This will let you know what your optimum worth is.

In the end, should you've written a ebook that solves a problem or presents a new technique, your e-book will herald both site visitors and profits.
