As a substitute, add a lot of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another strategy is to check out costs by making a number of duplicate gross sales pages with different costs on each page. Make sure that your sales copy is strictly the similar on every page,

and consists of your selling-handle sentence. Then determine for every page the conversion ratio between visitors to your website and sales of your book. It will tell you what your optimum price is.

Finally, for those who've written a e-book that solves a problem or presents a brand new technique, your book will bring in each site visitors and profits.
