piece of gross sales and promotional materials, and each time anyone asks you about your ebook.

An efficient method for determining a price is to ship out a survey to your current customers. If these customers have already bought an ebook from you, ask for their opinion in terms of price. Do that by creating a sales page for the brand new guide, but do not include a worth on that page. As an alternative, add a variety of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other strategy is to check out prices by making a number of duplicate gross sales pages with different prices on every page. Be sure your gross sales copy is exactly the identical on every page, and consists of your selling-deal with sentence. Then figure out for each page the conversion ratio between visitors to your web site and gross sales of your book. It will tell you what your optimum value is.

Ultimately, in the event you've written a e-book that solves a downside or presents a new approach, your e-book will bring in both site visitors and profits.
