An efficient approach for determining a worth is to ship out a survey to your current customers. If these clients have already purchased an book from you, ask for their opinion in terms of price. Do that by creating a sales web page for the new book, however do not embody a value on that page. Instead, add quite a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another technique is to test out prices by making a number of duplicate sales pages with totally different costs on each page. Make certain your sales copy is exactly the same on each web page, and

includes your promoting-handle sentence. Then work out for each page the conversion ratio between guests to your website and gross sales of your book. This may inform you what your optimum price is.

Ultimately, if you've written a guide that solves a drawback or presents a new approach, your book will herald both visitors and profits. So be sure to write that selling-deal with sentence that sums up what problem your guide solves and what the benefits of your 1469 e book can be to the purchasers who buy it.
