Advertising Strategies

The key that unlocks the gross sales potential of your ebook is to find a single sentence that becomes your promoting handle. This sentence states what question or problem your ebook solutions and the benefits your e-book can provide. Then remember to use that sentence in each piece of gross

sales and promotional materials, and each time anyone asks you about your ebook.

An efficient technique for determining a value is to send out a survey to your current customers. If these clients have already bought an ebook from you, ask for his or her opinion by way of price. Do that by making a sales page for the new book, but do not embrace a worth on that page. Instead, add quite a few hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another strategy is to test out costs by creating a number of duplicate gross sales pages with completely different costs on every page. Be sure that your sales copy is exactly the similar on every web page, and contains your selling-deal with sentence. Then figure out for each page the conversion ratio between guests to your web site and sales of your book. This can inform you what your optimum value is.

Ultimately, if you happen to've written a book that solves a downside or presents a brand new method, your book will bring in both traffic and profits.
