As an alternative, add quite a few links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another technique is to test out prices by making a variety of duplicate sales pages with completely different prices on each page. Make sure your gross sales copy is precisely the identical on every

web page, and consists of your selling-deal with sentence. Then figure out for every page the conversion ratio between guests to your site and gross sales of your book. This may tell you what your optimum value is.
