price. Do that by making a gross sales page for the new e book, however don't embrace a value on that page. Instead, add quite a few hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another strategy is to check out prices by creating a number of duplicate sales pages with completely different prices on every page. Be certain your sales copy is precisely the similar on each web page, and contains your promoting-handle sentence. Then determine for each page the conversion ratio between guests to your website and gross sales of your book. This may let you know what your optimum value is.

In the end, in case you've written a book that solves a problem or presents a brand new approach, your e-book will herald each traffic and profits.
