price. Do this by making a sales page for the new ebook, but do not embrace a worth on that page. As an alternative, add various hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another strategy is to check out prices by creating a number of duplicate sales pages with completely different costs on every page. Make sure that your sales copy is exactly the same on every web page, and includes your selling-handle sentence. Then determine for every web page the conversion ratio between visitors to your website and sales of your book. It will tell you what your optimum value is.
