## Advertising Methods

The key that unlocks the gross sales potential of your e-book is to find a single sentence that turns into your promoting handle. This sentence states what question or drawback your guide answers and the benefits your ebook can provide. Then make sure to use that sentence in each piece of gross

sales and promotional materials, and every time anyone asks you about your ebook.

Besides selling your books assiduously online, there are several other strategies that may allow you to sell extra books.

One is to provide one thing away without cost with your e-book, reminiscent of a valuable bonus item. Or bundle several ebooks underneath one value, which lowers the value for each book if they were offered separately.

An effective approach for figuring out a price is to ship out a survey to your present customers. If these prospects have already bought an ebook from you, ask for his or her opinion by way of price. Do that by creating a gross sales page for the new ebook, but do not embody a price on that page. As an alternative, add various hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other technique is to test out costs by creating a variety of duplicate sales pages with completely different prices on every page. Make sure that your sales copy is strictly the similar on every web page, and contains your promoting-handle sentence. Then determine for each page the conversion ratio between visitors to your site and sales of your book. It will let you know what your optimum worth is.

Finally, if you've written a e-book that solves a problem or presents a brand new method, your ebook will herald both visitors and profits. So make sure to write that promoting-handle sentence that sums up what downside your guide solves and what the advantages of your 1627 book can be to the shoppers who buy it.
