Needless to say the above pricing technique is temporary. Ultimately, you will stop to sell books at this high price. So determine in advance how long you plan to supply your ebook at this high value, and when that time is up, change your pricing strategy.

If you wish to see massive profits over customer draw, purpose for an audience that's searching for easy options to their issues at a low price. In case your guide is aimed at fixing one explicit problem fairly than common recommendation, then you'll be able to cost more. Start on the highest value the market will bear to herald the largest income, and plan to low cost the book a number of occasions all through the year.
