An effective technique for determining a worth is to ship out a survey to your present customers. If these prospects have already bought an book from you, ask for his or her opinion when it comes to price. Do that by creating a gross sales web page for the new ebook, but don't embrace a value on that page. As a substitute, add numerous hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another technique is to test out costs by making a variety of duplicate gross sales pages with different prices on each page. Make sure your sales copy is precisely the similar on every web page,

and includes your selling-deal with sentence. Then work out for every page the conversion ratio between visitors to your site and sales of your book. This can let you know what your optimum worth is.

In the end, if you've written a ebook that solves a problem or presents a brand new method, your e-book will herald each traffic and profits.
