Do that by making a sales page for the brand new guide, however don't include a worth on that page. As a substitute, add quite a lot of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another strategy is to test out costs by creating a variety of duplicate gross sales pages with totally different costs on each page. Make certain your sales copy is exactly the identical on each web page, and contains your promoting-deal with sentence. Then work out for every web page the conversion ratio between visitors to your web site and sales of your book. This will let you know what your optimum value is.

Finally, if you've written a book that solves a downside or presents a brand new technique, your e-book will bring in each site visitors and profits.
