An efficient technique for determining a value is to send out a survey to your present customers. If these customers have already bought an e book from you, ask for their opinion in terms of price. Do this by making a sales page for the brand new guide, but do not include a value on that page. Be certain your sales copy is precisely the similar on every web page, and consists of your promoting-handle sentence. Then work out for each web page the conversion ratio between guests to your website and gross sales of your book. This can tell you what your optimum worth is.
