Do this by making a gross sales web page for the new ebook, but do not embody a value on that page. As an alternative, add numerous hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other technique is to test out prices by making a variety of duplicate gross sales pages with completely different prices on each page. Be certain your sales copy is precisely the identical on every web page, and consists of your promoting-deal with sentence. Then work out for each page the conversion ratio between guests to your site and sales of your book. This will let you know what your optimum price is.

Finally, in the event you've written a e book that solves a problem or presents a new approach, your ebook will herald each site visitors and profits.
