If these clients have already purchased an book from you, ask for their opinion when it comes to price. Do that by making a gross sales page for the new book, however don't include a worth on that page. As an alternative, add numerous hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to test out costs by making a number of duplicate sales pages with different costs on every page. Make certain your gross sales copy is exactly the same on each page, and

contains your promoting-deal with sentence. Then figure out for each web page the conversion ratio between guests to your web site and sales of your book. This can tell you what your optimum price is.

Finally, if you happen to've written a guide that solves a drawback or presents a brand new approach, your e book will usher in each site visitors and profits.
