An effective approach for figuring out a price is to ship out a survey to your present customers. If these clients have already bought an ebook from you, ask for his or her opinion by way of price. Do this by creating a gross sales web page for the new book, however do not embrace a value on that page. As an alternative, add quite a few links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another strategy is to check out costs by creating a variety of duplicate sales pages with totally different costs on each page. Make sure your gross sales copy is precisely the identical on every web page, and consists of your promoting-handle sentence. Then determine for each web page the conversion ratio between guests to your site and sales of your book. This may inform you what your optimum worth is.

In the end, in case you've written a guide that solves a problem or presents a brand new method, your ebook will herald each site visitors and profits.
