One other strategy is to check out costs by creating a number of duplicate gross sales pages with totally different costs on each page. Ensure your gross sales copy is strictly the same on every web

page, and consists of your promoting-deal with sentence. Then determine for each web page the conversion ratio between visitors to your website and gross sales of your book. It will let you know what your optimum value is.

In the end, in case you've written a e book that solves a drawback or presents a brand new approach, your e book will herald both visitors and profits.
