Do this by creating a sales page for the brand new e-book, but don't embrace a price on that page. Instead, add a variety of hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another technique is to check out prices by making a variety of duplicate gross sales pages with completely different costs on each page. Be sure that your gross sales copy is exactly the same on

each web page, and consists of your selling-deal with sentence. Then figure out for every page the conversion ratio between visitors to your website and sales of your book. It will tell you what your optimum value is.

In the end, in case you've written a e book that solves a drawback or presents a brand new approach, your e book will bring in each site visitors and profits.
