One other technique is to check out prices by making a number of duplicate gross sales pages with totally different prices on each page. Ensure your sales copy is strictly the identical on every web

page, and consists of your selling-handle sentence. Then determine for each web page the conversion ratio between visitors to your site and gross sales of your book. This will tell you what your optimum price is.

Finally, if you happen to've written a e-book that solves a downside or presents a brand new method, your e book will usher in both traffic and profits. So make sure to write that selling-deal with sentence that sums up what drawback your book solves and what the benefits of your 2188 e-book shall be to the customers who buy it.
