This is a superb pricing technique if you're trying to purchase lengthy-term customers. Lengthy-time period customers are extraordinarily seemingly to buy from you again and again ? as long as the primary e book they purchase is of exceptional high quality and useful to the customer.

Nevertheless, in case your e book accommodates valuable ? and more importantly NEW information, references, or methods ? then you need to intention to cost it on the high end.

After you figure out your goal, you could figure out what your audience's want is on your ebook. For instance, does your book clear up a selected drawback? If it does, and solves it in a manner that hasn't been written about in 100 different ebooks, you will be in a position to obtain excessive

sales at a excessive price. If your ebook solves a problem or solutions questions in a new and distinctive method, it's best to worth your e-book as high as you'll be able to go. Remember that the above pricing technique is temporary. Ultimately, you will stop to sell books at this excessive price. So figure out in advance how lengthy you plan to offer your e-book at this high price, and when that point is up, change your pricing strategy.

If you wish to see large profits over customer draw, intention for an audience that is searching for simple solutions to their issues at a low price. If your e book is aimed toward solving one particular downside rather than normal recommendation, then you may cost more. Start on the highest price the market will bear to usher in the largest earnings, and plan to discount the ebook a variety of occasions throughout the year.

## Advertising and marketing Methods

An effective method for determining a worth is to ship out a survey to your current customers. If these clients have already purchased an e-book from you, ask for their opinion by way of price. Do this by creating a sales page for the new ebook, however do not embrace a worth on that page. As an alternative, add quite a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another technique is to check out costs by making a number of duplicate sales pages with completely different costs on every page. Ensure your gross sales copy is exactly the similar on every page, and includes your selling-deal with sentence.
