An effective approach for determining a value is to send out a survey to your present customers. If these clients have already bought an book from you, ask for their opinion in terms of price. Do that by creating a gross sales page for the new e book, but don't include a worth on that page. As a substitute, add various hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other strategy is to test out costs by making a number of duplicate gross sales pages with completely different costs on each page. Ensure your gross sales copy is exactly the same on each

web page, and contains your selling-deal with sentence. Then work out for every web page the conversion ratio between visitors to your web site and gross sales of your book. This can let you know what your optimum worth is.
