Then be sure you use that sentence in every piece of sales and promotional material, and each time anyone asks you about your ebook.

Besides promoting your books assiduously online, there are a number of other methods that can allow you to sell extra books.

One is to give something away totally free along with your e-book, such as a beneficial bonus item. Or bundle a number of ebooks under one worth, which lowers the worth for each e book in the event that they were offered separately.

An efficient approach for figuring out a worth is to send out a survey to your present customers. If these customers have already bought an e book from you, ask for their opinion in terms of price. Do this by creating a sales web page for the new e book, but don't include a worth on that page. Instead, add a variety of links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other strategy is to check out costs by making a number of duplicate sales pages with different costs on every page. Be sure your gross sales copy is exactly the identical on each page, and consists of your selling-handle sentence. Then determine for every web page the conversion ratio between visitors to your site and gross sales of your book. It will tell you what your optimum worth is.

Ultimately, should you've written a e-book that solves a downside or presents a brand new approach, your ebook will herald each traffic and profits. So make sure to write that promoting-handle sentence that sums up what drawback your e-book solves and what the advantages of your 2508 ebook shall be to the purchasers who buy it.
