Advertising Strategies

The important thing that unlocks the sales potential of your ebook is to find a single sentence that becomes your selling handle. An effective approach for figuring out a worth is to send out a survey to your current customers. If these prospects have already bought an e-book from you, ask for his or her opinion in terms of price. Do that by making a sales page for the brand new book, but don't include a value on that page. As an alternative, add numerous links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another technique is to check out prices by making a variety of duplicate gross sales pages with different prices on each page. Be certain your gross sales copy is exactly the same on every web page, and contains your selling-deal with sentence. Then figure out for every web page the conversion ratio between visitors to your site and gross sales of your book. This can inform you what your optimum worth is.

Finally, if you happen to've written a e-book that solves a drawback or presents a brand new
