Then remember to use that sentence in each piece of gross sales and promotional materials, and each time anybody asks you about your ebook.

In addition to promoting your books assiduously on-line, there are several different methods that may enable you promote extra books.

One is to offer something away free of charge along with your e-book, reminiscent of a worthwhile bonus item. Or bundle several ebooks below one worth, which lowers the worth for every e book if they had been offered separately.

An effective technique for figuring out a value is to send out a survey to your present customers. If these prospects have already bought an book from you, ask for his or her opinion by way of price. Do that by making a gross sales page for the new e book, but don't include a worth on that page. As an alternative, add numerous hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another strategy is to check out prices by creating a variety of duplicate sales pages with completely different prices on each page. Be sure that your sales copy is exactly the same on every

web page, and contains your promoting-handle sentence. Then determine for each page the conversion ratio between visitors to your web site and gross sales of your book. This can inform you what your optimum price is.

Finally, when you've written a e-book that solves a problem or presents a brand new method, your e book will usher in both site visitors and profits. So you should definitely write that selling-handle sentence that sums up what downside your e book solves and what the advantages of your 2518 e-book will be to the customers who purchase it.
