Instead, add a number of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other technique is to test out costs by creating a number of duplicate sales pages with completely different costs on each page. Ensure your sales copy is exactly the similar on every web

page, and consists of your selling-deal with sentence. Then figure out for each web page the conversion ratio between visitors to your site and sales of your book. This can inform you what your optimum price is.

Finally, if you've written a ebook that solves a downside or presents a brand new method, your book will bring in each site visitors and profits.
