One is to present something away without cost along with your guide, akin to a worthwhile bonus item. Or bundle a number of ebooks below one price, which lowers the worth for every ebook if they were bought separately.

An effective method for determining a worth is to send out a survey to your present customers. If these customers have already purchased an e-book from you, ask for their opinion by way of price. Do this by creating a gross sales page for the brand new e-book, however don't include a value on that page. Instead, add numerous links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other technique is to check out prices by creating a number of duplicate sales pages with different prices on every page. Be sure your sales copy is exactly the identical on each web page, and includes your selling-handle sentence. Then figure out for every web page the conversion ratio between visitors to your website and sales of your book. This will let you know what your optimum value is.

Finally, when you've written a e-book that solves a problem or presents a brand new method, your book will herald both visitors and profits. So you'll want to write that promoting-deal with sentence that sums up what drawback your e-book solves and what the benefits of your 264 e book will probably be to the purchasers who buy it.
