this by creating a gross sales web page for the new ebook, but do not include a worth on that page. Instead, add a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to check out prices by creating a variety of duplicate gross sales pages with totally different costs on each page. Be sure your gross sales copy is exactly the identical on every web page, and includes your promoting-handle sentence. Then determine for every page the conversion ratio between visitors to your website and sales of your book. This may inform you what your optimum price is.
