An effective approach for determining a worth is to ship out a survey to your current customers. If these prospects have already purchased an e-book from you, ask for his or her opinion in terms of price. Do this by making a sales page for the brand new book, but do not include a value on that page. As an alternative, add plenty of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another strategy is to test out costs by making a number of duplicate sales pages with completely different prices on each page. Be certain that your gross sales copy is strictly the similar on each web page, and consists of your selling-deal with sentence. Then determine for every page the conversion ratio between guests to your web site and gross sales of your book. This will tell you what your optimum value is.

Ultimately, if you've written a e book that solves a drawback or presents a brand new approach, your book will bring in each visitors and profits.
