Another technique is to test out costs by making a number of duplicate sales pages with totally different costs on every page. Ensure that your sales copy is exactly the identical on each web page, and includes your promoting-deal with sentence. Then determine for each web page the conversion ratio between guests to your web site and sales of your book. It will let you know what your optimum price is.

Finally, if you happen to've written a e-book that solves a problem or presents a brand new approach, your e book will usher in both traffic and profits.
