Begin on the highest value the market will bear to herald the largest earnings, and plan to low cost the e book a number of occasions throughout the year.

## Advertising Methods

The important thing that unlocks the sales potential of your e book is to discover a single sentence that becomes your selling handle. This sentence states what question or drawback your ebook solutions and the advantages your book can provide. Then you'll want to use that sentence in each

piece of sales and promotional material, and every time anyone asks you about your ebook.

One is to offer something away at no cost along with your ebook, similar to a valuable bonus item. Or bundle several ebooks under one value, which lowers the price for each e-book if they have been bought separately.

An efficient method for determining a worth is to ship out a survey to your current customers. If these customers have already bought an e-book from you, ask for their opinion when it comes to price. Do this by making a sales page for the new e-book, but do not include a worth on that page. Instead, add quite a few links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other strategy is to test out costs by creating a variety of duplicate sales pages with totally different costs on every page. Ensure that your sales copy is exactly the same on each page, and contains your selling-deal with sentence. Then determine for every web page the conversion ratio between guests to your website and gross sales of your book. This may let you know what your optimum worth is.

Finally, in case you've written a e-book that solves a drawback or presents a new method, your book will bring in each traffic and profits.
