Another technique is to test out costs by making a number of duplicate gross sales pages with completely different costs on every page. Ensure your gross sales copy is exactly the identical on each web page, and includes your selling-deal with sentence. Then figure out for each page the conversion ratio between guests to your website and sales of your book. This can tell you what your optimum price is.

Finally, should you've written a book that solves a drawback or presents a brand new technique, your guide will usher in both traffic and profits.
