However the truth that unites ebooks and print books is that they're composed of ideas. It's the ideas in these books that have the power to alter, or probably remodel, individuals's lives.

What do you think an thought is worth when evaluated against the price of paper and ink?

It is the IDEAS which are worthwhile! That is the way you determine the cost of your ebook.

Resolve in case your objective is to get huge distribution and maximum exposure. The secret's to find a value that maximizes your earnings and the number of books you sell.

This is an excellent pricing strategy in case you are looking to acquire long-time period customers. Lengthy-term customers are extraordinarily seemingly to purchase from you once more and again ? so long as the primary e book they buy is of distinctive quality and helpful to the customer.

Nevertheless, if your book accommodates priceless ? and extra importantly NEW info, references, or methods ? then you must goal to price it on the excessive end.

After you figure out your objective, you will need to figure out what your viewers's want is to your ebook. For instance, does your book solve a selected drawback? If you want to see giant profits over buyer draw, purpose for an audience that is on the lookout for easy solutions to their issues at a low price. If your ebook is geared toward fixing one specific drawback quite than basic advice, then you'll be able to cost more. Begin on the highest worth the market will bear to herald the largest income, and plan to low cost the e-book a variety of instances throughout the year.

An effective method for determining a price is to send out a survey to your current customers. If these clients have already purchased an e book from you, ask for their opinion when it comes to price. Do this by making a gross sales web page for the new e book, however do not embody a value on that page. As an alternative, add quite a few hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other technique is to test out costs by creating a variety of duplicate gross sales pages with totally different prices on each page. Be sure your gross sales copy is exactly the similar on each

page, and includes your selling-handle sentence. Then determine for each page the conversion ratio between visitors to your site and sales of your book. This may tell you what your optimum value is.

In the end, for those who've written a ebook that solves a downside or presents a brand new approach, your ebook will bring in each traffic and profits.
