As a substitute, add quite a few links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to test out prices by making a number of duplicate sales pages with totally

different costs on each page. Ensure that your gross sales copy is precisely the similar on each web page, and consists of your selling-deal with sentence. Then determine for every web page the conversion ratio between guests to your site and gross sales of your book. This will let you know what your optimum price is.

In the end, in the event you've written a e-book that solves a downside or presents a brand new technique, your ebook will bring in each site visitors and profits.
