If these prospects have already purchased an book from you, ask for their opinion when it comes to price. Another strategy is to test out costs by creating a number of duplicate sales pages with totally different costs on each page. Make certain your sales copy is precisely the same on every web page, and includes your selling-deal with sentence. Then determine for every web page the conversion ratio between guests to your web site and sales of your book. This may tell you what your optimum value is.

In the end, in the event you've written a ebook that solves a drawback or presents a new approach, your guide will bring in both site visitors and profits.
