Do that by creating a sales page for the brand new e book, but do not embody a price on that

page. Instead, add a variety of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other technique is to test out costs by creating a number of duplicate gross sales pages with completely different prices on each page. Make certain your sales copy is strictly the similar on every page, and consists of your selling-handle sentence. Then figure out for each page the conversion ratio between guests to your site and gross sales of your book. This can inform you what your optimum worth is.

Finally, for those who've written a book that solves a downside or presents a new approach, your ebook will herald each site visitors and profits.
