Advertising Strategies

The key that unlocks the sales potential of your ebook is to find a single sentence that becomes your promoting handle. This sentence states what question or problem your book answers and the benefits your ebook can provide. Then you'll want to use that sentence in each piece of sales and

promotional material, and each time anybody asks you about your ebook.

An efficient technique for figuring out a value is to send out a survey to your current customers. If these customers have already purchased an book from you, ask for their opinion when it comes to price. Do that by making a sales web page for the brand new e book, however don't embrace a value on that page. Instead, add a lot of links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another strategy is to check out prices by creating a number of duplicate sales pages with completely different prices on every page. Make sure your gross sales copy is precisely the same on each web page, and includes your selling-deal with sentence. Then figure out for every page the conversion ratio between guests to your web site and gross sales of your book. This will let you know what your optimum price is.

Finally, if you happen to've written a guide that solves a drawback or presents a brand new technique, your ebook will bring in both visitors and profits. So you'll want to write that promoting-deal with sentence that sums up what downside your guide solves and what the benefits of your 573 ebook will be to the shoppers who buy it.
