An effective method for figuring out a worth is to ship out a survey to your current customers. If these prospects have already bought an ebook from you, ask for their opinion in terms of price. Do this by creating a gross sales web page for the new e-book, but don't embody a value on that page. As an alternative, add quite a few links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Then determine for every web page the conversion ratio between visitors to your website and gross sales of your book. This can inform you what your optimum value is.

In the end, when you've written a book that solves a drawback or presents a brand new method, your ebook will herald both traffic and profits.
