If these prospects have already purchased an book from you, ask for his or her opinion by way of price. Do that by making a gross sales web page for the brand new book, however do not include a worth on that page. Instead, add a number of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another technique is to check out costs by creating a number of duplicate gross sales pages with different prices on every page. Be certain your sales copy is strictly the same on every page, and consists of your promoting-handle sentence. Then figure out for every web page the conversion ratio between visitors to your website and gross sales of your book. It will inform you what your optimum value is.

Finally, in the event you've written a ebook that solves a problem or presents a brand new approach, your e book will usher in each visitors and profits.
