gross sales and promotional materials, and each time anyone asks you about your ebook.

Moreover promoting your books assiduously online, there are a number of different methods that can allow you to promote more books.

One is to present one thing away for free together with your book, equivalent to a valuable bonus item. Or bundle a number of ebooks under one worth, which lowers the worth for every book if they had been sold separately.

An efficient technique for determining a worth is to send out a survey to your current customers. If these clients have already bought an e book from you, ask for their opinion when it comes to price. Do that by creating a sales web page for the new ebook, however don't include a price on that page. As a substitute, add a variety of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other strategy is to test out costs by creating a variety of duplicate gross sales pages with totally different prices on every page. Make sure your gross sales copy is exactly the identical on each page, and contains your promoting-deal with sentence. Then figure out for every web page the conversion ratio between visitors to your web site and sales of your book. This will inform you what your optimum price is.

In the end, for those who've written a guide that solves a drawback or presents a brand new technique, your book will usher in each visitors and profits.
