Instead, add quite a lot of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another technique is to check out prices by making a number of duplicate sales pages with different

costs on every page. Be certain your gross sales copy is exactly the identical on each page, and contains your promoting-deal with sentence. Then figure out for every page the conversion ratio between guests to your web site and sales of your book. This can inform you what your optimum price is.

In the end, in the event you've written a e book that solves a drawback or presents a new technique, your ebook will usher in each visitors and profits.
