Instead, add quite a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other technique is to test out costs by creating a number of duplicate sales pages with completely different prices on every page. Ensure that your gross sales copy is strictly the same on each web page, and consists of your promoting-handle sentence. Then determine for every page the conversion ratio between visitors to your web site and sales of your book. It will let you know what your optimum price is.

Ultimately, if you've written a ebook that solves a problem or presents a new approach, your guide will herald both traffic and profits. So make sure you write that promoting-handle sentence that sums up what problem your book solves and what the advantages of your 70 e-book can be to the purchasers who purchase it.
