If these prospects have already purchased an ebook from you, ask for his or her opinion when it comes to price. Do that by making a sales web page for the brand new ebook, however don't embrace a price on that page. As a substitute, add quite a lot of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other technique is to test out costs by making a variety of duplicate gross sales pages with completely different prices on each page. Ensure your gross sales copy is exactly the same on each

page, and consists of your promoting-handle sentence. Then determine for every page the conversion ratio between guests to your website and sales of your book. This may inform you what your optimum value is.

Finally, if you've written a e book that solves a downside or presents a brand new technique, your e-book will bring in both visitors and profits. So be sure you write that selling-deal with sentence that sums up what problem your e book solves and what the benefits of your 777 e-book will probably be to the customers who purchase it.
